

EAGLE
UPDATES

CLASS OF
'25

INCOMING STUDENT, Welcome to the Oxford family!

We are thrilled you have chosen to join the Oxford College community. We know going to college can be a family affair, so we have pulled together some important resources to assist you and your family throughout this time as you prepare to join the Class of 2025.

Beginning today, you can find our Eagle Updates in your inbox. This bi-weekly email will keep you up to date on important deadlines and reminders leading up to your start at Oxford.

Accidentally delete an important email? That's okay! You can find everything you need on the [Welcome Website](#), designed specifically for incoming first-year students and families. This site has all of the contact information, deadlines, and checklists you will need to make your transition to college a breeze (even in the summer heat). You can also find information regarding advising and registration, housing, student health, and more.

You might notice that some dates like move-in day and New Student Orientation are TBD. That's because our wonderful campus partners are still working to finalize those details. Please continue to check the Welcome Website often, as dates and new information will be added as soon as they're confirmed.

We can't wait to continue to connect with you throughout this process. We'll be back in touch in two weeks' time!

Sincerely,

The Office of Enrollment Services
Oxford College of Emory University
