What's New!

- **First-Year Writing**: The First-Year Writing Placement deadline was extended to October 15. If you did not complete your placement exams by that date, you may need to reschedule an exam. To schedule your exam, please contact the Advising Support Center (ASC) at oxadvising@emory.edu. If you have questions about placement exams, please contact the Advising Support Center.

- **First-Year Writing Requirement**: Incoming students are required to complete a First-Year Writing Requirement by the end of their first year. This requirement can be fulfilled through a variety of methods, including completion of at least 16 writing-intensive courses and successful completion of the First-Year Writing Program. For more information, please visit the Writing Program website.

- **Discovery Seminars**: These group course planning sessions will take place during the week of October 17. The group course planning sessions are designed to help students plan their course load for the spring semester. All students are encouraged to attend at least one session.

- **Large Course Planning Sessions**: These sessions will be held on October 17 and 18. The Large Course Planning Sessions are designed for students who have not yet decided on their course load for the spring semester. These sessions will provide an overview of course options and help students make informed decisions about their course selections.

- **Advising Support Center**: The Advising Support Center is available to assist students with academic questions and concerns. The ASC can be reached by email at oxadvising@emory.edu or by phone at 404-727-2345.

- **Student Health**: All new students must complete the First-Year Advising Questionnaire: Student Health. This questionnaire is available online and must be completed before the start of the fall semester. The questionnaire is designed to assess your health status and determine your eligibility for certain academic programs.

- **Advising Kick-Off**: On Thursday, October 6, students are welcome to attend an Advising Kick-Off event. This event will provide an overview of the Advising Support Center and the services it provides. Students will have the opportunity to ask questions and receive information about the resources available to them.

- **Emerging Leaders**: The Emerging Leaders program is designed for students who are interested in developing their leadership skills. The program consists of a series of workshops and events that focus on topics such as communication, conflict resolution, and team building. Students who complete the program will receive a certificate of completion.

- **Course Registration**: Course registration for the spring semester will take place on October 17. Students are encouraged to complete their course load planning before this date to ensure smooth registration.

- **Writing Program**: If you have questions about the Writing Program, please contact the Advising Support Center. For more information about the Writing Program, please visit the Writing Program website.

- **Placement Exams**: Placement exams may be required for certain courses. If you have questions about your placement exams, please contact the Advising Support Center.

- **Request for Approval of Transfer and Test Credit/Exemption**: Students who have AP/IB exemption credit or transfer credit must complete the Request for Approval of Transfer and Test Credit/Exemption form before the start of the fall semester. The form can be found on the Oxford Registrar’s Office website.

- **Contact Us**: If you have any questions, please contact the Advising Support Center at oxadvising@emory.edu.

We are excited about the three Discovery Seminar groups that will be offered in the spring semester. These groups will provide an opportunity for students to explore their interests and develop their skills in a collaborative environment.
