Did You Know?

The Department for Accessibility Services (DAS) provides accommodations for students with diagnosed disabilities. Students are responsible for initiating the accommodation request process by self-disclosing their disability directly to the DAS office.

If you are interested in learning more about the Oxford College DAS office and its available resources, please visit the Department's website. If you have any questions, please feel free to email DAS at accessibility@emory.edu.

What’s Next?

• Placement Testing: Oxford College requires entering first-year students to complete placement exams for specific courses. These include First-Year Writing, Foreign Languages, Mathematics, and Chemistry. We want to make sure our students enroll in the right level of instruction to ensure their first year on campus is as successful as possible. The priority deadline for most placement exams is August 1. If you intend to enroll in a course that requires placement, please complete by this deadline.

• Housing: The housing application for the Spring Cohort will open on October 1 in your MyHousing account and will be due on December 1. Have you completed your housing application? Please refer to the Welcome Website for more information about these exams, their locations, and how to access them. If you have questions, you can visit the Advising Support Center at oxfordadvising@emory.edu.

• Placement Testing: For more information about placement exams, visit the Placement Testing page of the Welcome Website for the spring semester. These include English, Mathematics, and Chemistry. It’s about time to soak up the summer! Whether you are finding innovative ways to stay busy or plan to take it easy at home, we hope you are prepared to embrace the long days of summer.

• Emory Essentials: Students will be invited to join the Emory Essentials: Oxford College Office of Enrollment Services to take part in any deadlines and as new information becomes available. We also hope you are getting excited about the spring curriculum! Whether you are finding innovative ways to stay busy or plan to take it easy at home, we hope you are prepared to embrace the long days of summer.

• F1 Visas: Will you be studying at Oxford with an F1 international student visa? If so, you will need to pay the SEVIS I-901 fee before you can apply for an F1 visa. Learn more about paying the fee on the Customs Enforcement website.

We are excited to welcome you to the Class of 2026! Should you need any assistance this summer, please refer to the Welcome Website for departmental contact information.
