Helping out on the farm means more of our harvest ends up in our dining hall, on the plate, and in our community. One theme that holds true on the farm is that the more you give, the more you get. What’s Next?

Environmental Science (Dr. Hage and Dr. Martin), Anthropology (Dr. Ham), Sociology (Dr. Shannon), and disciplines regularly take advantage of the farm, including Discovery Seminars and a range of classes in other departments. The farm-to-table system is to choose classes that participate at the farm. A great way to learn about the farm and our local food system is to choose classes that participate at the farm. Students can be a part of this farm-to-table experience through the work study program, classes, and volunteering. You will have the opportunity to meet your assigned advisor during New Student Orientation in August. The deadline to submit your questionnaire is July 15. Please answer ALL questions and return it to the Admissions Office.

Orientation: Morning will take place on Friday, August 19, and the New Student Orientation program will begin after move-in and continue through August 23. A detailed schedule for students will be provided in late July. Check your Oxford College email to receive the schedule. Some key event times are:
- Move-in: 10 a.m.-3 p.m.
- Move-in Closing: Graduate Housing 6, 4 p.m.
- Move-in Closing: Family Housing 9, 5 p.m.
- Family Housing: Welcome Reception from 5:30-7 p.m.
- Family Housing: Welcome Dinner 6:30-8 p.m.
- Family Housing: Information Session 8-9 p.m.
- Family Housing: Welcome Party 9 p.m.-midnight.

Please note that Oxford is a smoke-free campus.

First-Year Advising Questionnaire. The questionnaire will help your advisor prepare to better assist you as you navigate your first year of college. The information you provide will help your advisor know what courses are most appropriate for you, what support resources, and support all of your endeavors here. The information you provide will be submitted by YOU, the student, will be shared with the Advising Office, and will be reviewed by your assigned faculty advisor. Your assigned faculty advisor will also review the information submitted by YOU, the student, and will be able to use it to guide your academic advising during the first year and throughout your academic career.

Required Health Forms: Please remember that the deadline to complete your required health forms is July 31. All forms must be uploaded to your Oxford Health Record by this date. For assistance, please visit the Student Health Services page of the Welcome Website for departmental contact information.

Oxford College Information Technology (OCIT) will be providing a list of items to bring to campus. This list can be found on the OCIT website. The IT office will be on the job to assist with computer and university workstations to any EaglePrint location. Printing: Skip the desk clutter and leave your printer at home! EaglePrint, our campus printing solution, allows you to print from your own computer and university workstations to any EaglePrint location. As part of the incoming first-year student checklist, all new students must complete the Required Health Forms and Electronic Health Records. The information submitted by YOU, the student, will be shared with your assigned faculty advisor. Your assigned faculty advisor will also review the information submitted by YOU, the student, and will be able to use it to guide your academic advising during the first year and throughout your academic career.

There are hundreds of opportunities to explore, learn, and get involved, while being supported by some of the most amazing faculty and staff. We can't wait to welcome you to our campus community in August! Do you need any assistance this summer, please refer to the Welcome Website for departmental contact information.
