Welcome to Oxford College!

We are excited to welcome you to the Class of 2026! Throughout the next few months, we'll help you prepare for the fall, including important deadlines and critical information you need to thrive at Oxford.

What's Next?

- **Secure Messages**
  - Before you arrive on campus, we will send you a secure message through your Oxford College Patient Portal or to the SHS staff at von@emory.edu.
  - This secure message will contain important information about your health insurance plan unless you submit an online insurance waiver in your secure messages on your patient portal.
  - You must complete the online insurance waiver by August 1.

- **Hi! From the ASC**
  - Should you need any assistance this summer, please refer to the Student Employment: Student Sessions (parallel to parent and family sessions) page to verify your status. If you have questions, please send a secure message through your Oxford College Patient Portal or to the SHS staff at oxstudentemployment@emory.edu. Documents should be brought to the Oxford College Student Employment Center.

- **Campus Visit**
  - Students can also attend programs on campus, such as the College Fair, which will be held on [date] from [time] to [time]. More information will be available in the ASC's Peer Advising Network (PAN) page in Canvas.

- **Contact Us**
  - To complete these courses, look for an Everfi invitation that will be sent to your Emory University email account by September 15. Please remember to print your confirmation

- **Oxford College Federal Work Study Program**
  - The Oxford College Federal Work Study program will be using a job search tool called 12Twenty. You will have access to search for jobs in mid-August. Stay tuned for more information about this.

- **Books**
  - The Gilbert Bookstore has everything you need to get your college journey started! You can rent your required textbooks and return them at the end of the semester at no cost. You can sign up for books that you will use throughout the month of July and first week of August. These sessions will be hosted by the ASC's Peer Advising Network (PAN) team. The Peer Advisors are rising sophomore students who want to help incoming students with their college planning.

- **Placement Exams**
  - You have until the August 1 deadline to submit all relevant placement exams by the August 1 priority deadline. NOTE: Only one part per exam will be counted towards your placement if you take Part 2.
